

THE 2017 GEAAA PROF. NICHOLAS KUMAPLEY SCHOLARSHIP FUND

Award Description

The Scholarship Award was created to honor the legacy of the Late Professor Nicholas Kumapley of Kwame Nkrumah University of Science & Technology, Kumasi, Ghana.

Professor Kumapley made great contributions in teaching and mentoring students and young professionals who pursue engineering and science as a profession.

The scholarship awards are given by GEAAA annually to engineering, architectural and mathematics/science students who demonstrate excellent academic performance/innovation.

Goal

The goal is to encourage Ghanaian students worldwide to pursue academic careers in Engineering, Architecture, Science, Mathematics & Technology to help improve the quality of life & economic growth of Africa.

Amount of Scholarship Awards: US\$ 200 to U\$500
